Organisation*

Website

Headquarter address

Location of offices involved in education grantmaking

Main contact*

Title*

Email*

Telephone

I understand that the IIEFG is not a grantmaking institution – it is a learning and collaborating network. Membership is for foundations who are grantmakers who give grants to other organisations - not grantseekers or NGOs.

List of our current grantees

Once your application has been approved by the IIEFG Steering Committee, information marked with ^o will be used to feed into your organisation's profile on the IIEFG Member Site. We use this data for an interactive member dashboard and a Member Snapshot, published annually to allow members to learn more about their peers and find possible collaboration partners. Please let us know if you prefer not to share this information further than the Steering Committee.

4. IEFG Communications and Contact Permissions (GDPR)

To comply with EU data protection standards, we ask you to agree to the following (please tick):

Being added to the IEFG mailing list to receive IEFG membership related communication.

Being invited to the IEFG communications platform, Microsoft Teams.

Having your organisation's information and documents stored on the IEFG member management system (whose servers are based in the United States) accessible only to the IEFG Secretariat.

Having data on your organisation's funding foci and collaboration preferences feed into a searchable member database/dashboard and member analysis that is accessible to IEFG members only.

How did you hear about the IEFG?
